

## A SPECIAL DISCOUNT PROGRAM FOR KEEPER OF THE FLAME

# Lanello's Library of Listening Grace

The Messenger Mark L. Prophet  
now the Ascended Master Lanello

When Mark was yet with us he said, "Ours must be a message of infinite love and we must demonstrate that love to the world." And today, as the Ascended Master Lanello, his great desire is still to give to the world the teaching that will enable mankind to prove here and now that love is practical, that love is personal, that love is pure, that love is the power of God that comes to us in the gifts of the Holy Spirit.

### **BUILDING A FOUNDATION FOR THE AQUARIAN AGE**

Lanello is very much aware that there are many among us who desire to be teachers of the Law under the World Teachers, Jesus and Kuthumi. He also knows our great desire to be God-taught of the Spirit so that we may both teach the Law of Love and use it lawfully.

From the first to the last, all of the dictations of the Ascended Masters given through Mark were deemed essential by the Hierarchy as the foundation of Christ's teachings in the Piscean Age. With that foundation, the Ascended Masters have continued to release through me those teachings that they desire to be assimilated by their students who are building for the Aquarian Age. These teachings are indispensable to all of us who would follow Mark in the putting-off of the old man and the putting-on of the new.

### **A SPECIAL PROGRAM FOR KEEPER OF THE FLAME**

Lanello's Library of Listening Grace is for Keepers of the Flame who have heard the call of Christ to teach the living Word, who understand the need to study to show themselves approved unto God, rightly dividing the Word of truth.

Because I believe that Lanello's Library should be your personal library, because I believe that you should have every dictation and lecture that we release, taken from the archives of The Summit Lighthouse as well as our quarterly conferences and special seminars, I have worked with the Board of Directors to continue to make this program possible.

I am grateful that I can say that every Keeper of the Flame who is lovingly securing all of our published recordings will receive a *substantial discount* and thereby be rewarded here and now for the faith, the hope and the charity that you are demonstrating in support of the cause of the Great White Brotherhood.

### **MY PERSONAL INVITATION TO THOSE WHO WOULD CARRY MARK'S MESSAGE OF LOVE**

It is my fond hope that you will carry Mark's message of love, that you will demonstrate it to the world, and that you will be eminently qualified to do so because you can understand and teach the Law. As you well know, this will happen only when you have become the Law.

I am hoping that you will take advantage of this opportunity to listen to the Masters' words and to our lectures again and again, take notes, and then use them to speak to people in your community—to those of all ages and at all strata of society who would like to hear what we, a group of disciples of Christ, are experiencing as we pursue the cloven tongues of the Holy Spirit.

Won't you accept my invitation to invite Lanello and the Ascended Masters to be the Master Teachers in your home and in your study group—through you and through his Library of Listening Grace?

I AM with you as together we demonstrate  
his love to the world,

*Mother*
